Subject: Waste Management of Skagit County, a division of Waste Management of Washington, Inc.(G-237); Tariff #19

Dear Ms. Maxwell:

Enclosed, please find revised pages, 2, 32, and 37 to the above-referenced tariff. These proposed revised tariff pages contain correct to the previously filed disposal increase that went into effect on January 1, 2023. These corrections are related to the 6-yard compactor special pickup for Snohomish County and the CDL disposal rate on Page 32. As you can see based on the other rates, there is a clerical error for the 6 yard rate which should be \$202.30.

Enclosed for your review are the disposal notice for the Island County transfer station showing the rate of \$171.54/ton.

If you have any questions or need additional information, please contact me at (503) 956-8594.

Very truly yours,
