Dear Esther Neal,

I would like to file an extension for Ketron Island Water Inc. Our post office box was compromised last month with important documents missing. We are in the process of working with the USPS to retain Ketron Island Inc. mail. Due to the circumstances, we had to file an extension on our federal taxes.

We are working to get this issue resolved and will have the annual report completed by June 1, 2023.

Hi Kathy,

Thank you for your questions regarding the annual report. As a follow up to our conversation, I've attached a copy of Ketron Island Water Inc.'s completed 2021 annual report and a blank annual report form for the 2022 reporting year.

Here is the link to submit your report electronically on the E-filing page of our website: [EFiling - Form \(wa.gov\)](#) – OR, you can complete the 2022 annual report and email it as an attachment back to me, as we discussed.

Please let me know if you have any additional questions.

Thank you,

Esther Neal (she/her)
