RATE ADJUSTMENT**

APPLICABILITY: This rate adjustment shall be applied to the rate(s) shown on each schedule for electric service for all Customers during a month when this schedule is effective. This rate shall be applicable to the electric service delivered to Customers under any special contract unless specifically excluded by such special contract or Commission Order.

PURPOSE: The purpose of this schedule is to charge Customers the provisionally approved rates subject to refund approved in a multiyear rate plan, for property granted provisional approval for recovery.

TRUE-UP AND NOTICE OF RATE CHANGES: The rates under this schedule will not be trued-up for load or cost variances other than through their inclusion in PSE's Revenue Decoupling Adjustment Mechanism under Rate Schedule 142. Likewise, should the rates charged under this section be determined to require a prospective change based on a required refund, such change will be achieved through changes to the supplemental rate. Since the rate credits in the Supplemental Rate Credit under this schedule are credits, notice to the public of changes in the rate credits will be provided on the Company's web site, by telephone and mail in accordance with WAC 480-100-195(3).
