Subject: Waste Management of Greater Wenatchee, a division of Waste Management of Washington, Inc.(G-237); Tariff #14

Dear Ms. Maxwell:

Enclosed, please find revised pages 2 and 35 to the above-referenced tariff. Our recently approved docket TG-230255 included revisions that inadvertently removed Douglas County Fee rates that were previously approved in docket TG-230143. The attached corrected tariff pages reflect the correction of this error. Additionally, we are submitting this request with an included LSN form and request to have the effective date of these proposed tariff revisions is requested to be July 1, 2023.

Enclosed for your review are our approval pages from those two dockets.

If you have any questions or need additional information, please contact me at (503) 956-8594.

Very truly yours,

Evan Burmester
