Dear Ms. Maxwell:

Enclosed are proposed revisions to Tariff #4 for Torre Refuse & Recycling, LLC (G-260). The purpose of this filing is to increase rates due to increase operating costs.

If approved, proposed rates will generate approximately \$1,090,000 annually or about 18.66% on tariff revenue.

Supporting workpapers as required by WAC 480-07-520 are enclosed along with notice to customers which will be sent on August 17, 2023. A copy of this letter will be provided to the Spokane County Board of Commissioners.

Portions of this rate submittal are considered confidential under provisions of WAC 480-07-160 because they contain valuable competitive commercial information with regard to cost and financial information. Redacted and non-redacted copies of these documents are provided.

If I can be of any further assistance, please contact me at 509-822-4983 or 509-252-3500 (fax) or at johnl@sunshinedisposal.com.

Respectfully,

John Lloyd
