II. DEFINITIONS (Continued)

N. DATA BASE

A collection of information organized in a computer to facilitate rapid search and retrieval. Data Bases include ALI, Master Street Address Guide (MSAG), Emergency Service Number (ESN), and subscriber line data.

O. DATA MANAGEMENT SYSTEM (DMS)

The combination of manual procedures and computer programs used to create, store, manipulate, and update data required to provide Selective Routing and ALI.

P. DEDICATED CIRCUIT

A telephone circuit used for one purpose only; e.g. transmission of 9-1-1 calls.

Q. DEFAULT ROUTING

The capability to route a 9-1-1 call to a designated (default) PSAP when the incoming 9-1-1 call cannot be selectively routed due to an ANI failure, unreadable digits or other cause.

R. DIVERSE ROUTING

The practice of routing calls through different circuit paths in an effort to prevent total loss of the 9-1-1 Service in the event an individual circuit is disabled.

S. EMERGENCY SERVICE NUMBER (ESN)

A number used in the DMS to designate the public safety agencies responsible for service to the location of each telephone number in a 9-1-1 Service Area, for the purpose of determining call routing.

II. DEFINITIONS (Continued)

Z. PUBLIC SAFETY ANSWERING POINT (PSAP)

A facility equipped and staffed to receive 9-1-1 calls. A primary PSAP receives the calls directly. A secondary PSAP receives the 9-1-1 calls that are relayed or transferred from the primary PSAP.

AA. REVERSE SEARCH

A query of the ALI Data Base initiated at the PSAP to electronically obtain the ALI data associated with a known telephone number for purposes of handling an emergency call when that telephone number is not directly connected to the PSAP. It can also be used for an ANI failure on a telephone line that is connected to the PSAP.

BB. SELECTIVE ROUTING

The capability of routing a 9-1-1 call to a designated PSAP based upon the location stored in a selective routing table based upon information stored in the ALI record.

CC. SERVING CENTRAL OFFICE

The Central Office (CO) from which PSAP is served.

DD. SUBSCRIBER

A person or business that orders access line service from a telephone company.

EE. SUBSCRIBER LINE DATA

The telephone number, service address for telephone line, and supplementary information for a Subscriber for development and maintenance of ALI and MSAG.

III. CONDITIONS

- A. The Company shall not be required to provide 9-1-1 Service to less than an entire Central Office serving area.
- B. The Company does not answer or forward 9-1-1 calls. The Company furnishes the use of its facilities to enable the Customer’s personnel to receive such calls.
- C. The Company does not have a Serving Central Office. As a result, the Company does not provide Default Routing or Selective Routing.
- D. There will be no charge to the calling party by the Company for originating a 9-1-1 call.
- E. The calling party forfeits any privacy rights afforded by a non-published or non-listed service when placing a 9-1-1 call.
- F. If a 9-1-1 call is originated via a telecommunications company other than the Company or by any other Non-Company source such as an alternative operator provider, shared service provider, cellular provider or any other radio based source (whether provided by the Company or not) the completeness and accuracy of the ANI and ALI information forwarded cannot be and will not be assured.
- G. The Company’s 9-1-1 Service is limited to the transport of a 9-1-1 call from a Caller to connection with the facilities of another LEC which transports the 9-1-1 call to a PSAP.
- H. 9-1-1 Service is restricted to one-way service from the Company’s CO to the facilities of another telephone company. If the Customer desires dedicated facilities from its PSAP to a response agency (Police, Fire, Emergency Medical, etc.) located in the Company’s service territory, the Customer must purchase those facilities out of the Company’s special access tariff.

III. CONDITIONS (Continued)

- I. Rates charged for 9-1-1 Service includes normal monitoring of 9-1-1 dedicated facilities to discover errors, defects and malfunctions in the network, but do not include any additional monitoring. If available, the Company may provide additional inspection and monitoring of facilities for an additional charge upon Customer request.
- J. Options for Diverse Routing will be reviewed at the time 9-1-1 Service is ordered and also at the annual anniversary of the provision of 9-1-1 Service. The Customer shall purchase sufficient facilities to allow a minimum level of Diverse Routing. Additional charges for Diverse Routing shall apply on an Individual Case Basis (ICB).
- K. The Company will build and maintain the MSAG file in concert with Customer, utilizing standard service addresses (i.e. house numbers, street names, and postal communities).
- L. The rates and charges for 9-1-1 Service elements are based upon utilizing standard service addresses (i.e. house number, street names, and postal communities) in populating the DMS (Data Management System). The use of addressing which is not in this format will be at a price established on an Individual Case Basis (ICB).
- M. Routine MSAG changes will be made within two business days of receipt. Special or large volume changes and annexations may require more than two business days. Charges for Customer-initiated changes and rearrangements affecting the Subscriber's service address and ALI Data Base records (e.g., street name and number changes, emergency services zone and name change, jurisdictional boundary changes and rearrangements, etc.) other than those processed in normal daily updates will be based upon the actual cost for such changes and rearrangements. In such cases a valid comparative listing of changes must be supplied by the Customer providing direct and individual references to existing designations.

III. CONDITIONS (Continued)

- N. The Company will provide a range of Emergency Service Numbers (ESN) that are available for assignment by the Customer. Customer requested changes to the ESN would be charged at actual cost.
- O. The maintenance of the ALI Data Base, as well as the 9-1-1 call routing, for those telephone accounts in locations outside of their normal Central Office serving territory will require special procedures and will be provided at actual cost. Telephone lines terminated in locations outside of their Central Office territory may not be able to be served by normal 9-1-1 routing or ALI records. The Company will determine how this will be handled and advise the Customer.
- P. The Customer will process all 9-1-1 calls 24 hours per day, 7 days per week, 52 weeks per year, that come in from the Company's facilities whether or not a specific 9-1-1 call is outside the Customer's jurisdiction.
- Q. The 9-1-1 Service is not a replacement for a telephone number of the PSAP. The PSAP will have at least one 10-digit unlisted and one 10-digit listed number, each available 24 hours a day, for a total of two 10-digit numbers.
- R. Customer will make application for 9-1-1 services in writing. The Customer or agent for the Customer must provide satisfactory proof of appointment. 9-1-1 jurisdictional disputes between municipalities and/or counties and resolutions thereof are between the municipalities and/or counties and shall not be the responsibility of the Company.
- S. A PSAP may only Reverse Search the Automatic Location Identification (ALI) Data Base to secure information about lines from which 9-1-1 calls have been placed but the connection has been lost.

Reverse Search shall not be used for criminal or legal investigations or other non-emergency purposes.

III. CONDITIONS (Continued)

- T. The Customer must purchase 9-1-1 service elements contained within the tariff sufficient to maintain a P.01 Grade of Service. A minimum of two circuits is required between each Central Office and the Serving Central Office.
- U. Prior to dispatch, the PSAP Attendant dispatcher will attempt to obtain the location of the incident from the Caller. The address information maintained by the Company may not be the actual location of the Caller's need.
- V. CPE must be compatible with the service furnished by the Company and the interface standards of the Company. The Company's interface standard will be furnished to the Customer upon request.
- W. The Company or Customer shall each notify the other in the event one finds that the 9-1-1 Service is not functioning properly.
- X. The Customer shall be billed monthly for payment of recurring charges in advance. The Customer shall be billed for non-recurring charges after they have been incurred. Payments shall be made at the office of the Company or to an authorized collector of the Company. All bills are due and payable upon presentation and delinquent if not paid within 15 days from presentation. Late payments shall bear interest at one percent per month, pro-rated to date of payment. Service may be disconnected if payment is not received within sixty days of presentation of the bill.
- Y. 9-1-1 Service shall be temporarily interrupted for CO upgrades or updates. The Company shall try to keep such interruptions to a minimum.
- Z. The following Rules from WN U-3 General Rules and Regulations Section shall apply and are hereby incorporated by this referral as if fully set forth:

- E. The Company, and its directors, officers, employees and agents, shall not be liable or responsible for any damage rising from any cause whatsoever or any indirect, incidental or consequential damages associated with the provision of the 9-1-1 Service when any 9-1-1 call originates from a system or line which makes the provision of specific location information impossible to provide for technical reasons. These technical reasons can include, but are not limited to, technical inability to provide Subscriber Line Data or ANI associated with multi-party lines, off-premise extensions or private telecommunications services, such as PBX's or shared tenant services, or calls originating from an interexchange carrier or another telecommunications company or over Centrex lines or Customer extended lines, or calls originating from cellular or other radio-based communications systems.

- F. The Company accepts no responsibility for obtaining Subscriber record information from private telecommunications systems, such as PBX's or shared tenant services, except to the extent that such information is provided to the Company by the person or entity owning or managing such private telecommunications system and being the Company's Subscriber of record with respect thereto. Where applicable to the type of 9-1-1 Service being provided, the Company will integrate any records furnished to it by such Subscriber in a Company standard format for inclusion in a 9-1-1 Data Base. However, by doing so, the Company makes not representation or warranty regarding the accuracy of the data provided to it by such Subscriber and shall not be liable or responsible to any person, corporation or other entity for any damages, of whatever nature or description, arising from or related to any inaccuracy or incompleteness of such data or for any indirect, incidental or consequential damages associated with the provision of this data or the inclusion of such data in any 9-1-1 Data Base.

IV. LIABILITY (Continued)

- G. The Company, and its directors, officers, employees and agents, shall not be liable or responsible for any indirect, incidental or consequential damages associated with the provision of 9-1-1 Service when there is a failure of or interruption in 9-1-1 Service due to the attachment of any equipment by a Customer or Subscriber to Company facilities or a failure of or interruption in any facilities provided by any person or entity other than the Company.
- H. Except for Company acts or omissions constituting gross negligence or wanton or willful misconduct, the Company, and its directors, officers, employees and agents, shall not be liable for any mistakes, omissions, interruptions, delays, errors or defects or data errors in transmission or service caused or contributed to by the negligence or willful act of any person other than the Company, or arising from the use of Customer-provided facilities or equipment or the facilities of another telecommunications company.
- I. Except for Company acts or omissions constituting gross negligence or wanton or willful misconduct, the Company, and its directors, officers, employees and agents, shall not be liable or responsible for any indirect, incidental or consequential damages associated with the provision of 9-1-1 Service or any component thereof. The rates at which 9-1-1 Service, and the components thereof, are provided have been established expressly in reliance upon this limitation of liability.
- J. 9-1-1 Service (and the components thereof) is provided solely for the benefit of the PSAP. The provision of 9-1-1 Service by the Company shall not be interpreted, construed or regarded, either expressly or impliedly, as being for the benefit of or creating any Company obligations toward any person or legal entity other than the Customer. The Company's tort liability, if any, to any third party shall be limited to instances in which the Company's conduct constitutes gross negligence or wanton or willful misconduct.
- K. In the event that any portion of this Section IV is determined by any court or other lawful authority to be unlawful, then such portion shall be deemed reformed to the minimum extent necessary to cure its unlawfulness and the remainder of Section IV, together with the portion so reformed, shall remain in full force and effect.
