Item 20 – Limitations of Service

1. **Schedules.** A company's schedule will meet reasonable requirements and will comply with local service level ordinances.
2. **Due care.** Other than to offer reasonable care, the company assumes no responsibility for articles left on or near solid waste receptacles.
3. **Liability for damage.** When a customer requests that a company provide service and damage occurs to the customer's driveway due to reasons not in the control of the company, the company will assume no responsibility for the damage.
4. **Refusal of service.** (Except as set forth in Section 5, Missed service due to unsafe weather conditions road conditions, natural disaster or when government authority restricts access to local roads.)

A solid waste collection company may refuse to:

- Collect solid waste from points where it is hazardous, unsafe, or dangerous to persons, property, or equipment to operate vehicles due to the conditions of streets, alleys, or roads.
 - Drive into private property when, in the company's judgment, driveways or roads are improperly constructed or maintained, do not have adequate turn-arounds, or have other unsafe conditions; or
 - Enter private property to pick up solid waste while an animal considered or feared to be dangerous is not confined. The customer will be required to confine the animal on service days.
5. **Missed service due to unsafe weather conditions, road conditions, natural disaster or when government authority restricts access to local roads.** A company is not required to collect solid waste when the company determines that it is unsafe to operate due to weather conditions, road conditions, natural disaster, or when government authority restricts access to local roads. The company will collect on the next scheduled service date on which the company deems it is safe to operate, and will take other reasonable actions to resume or provide alternative service as soon as reasonably practicable.
 - a. The company is not obligated to extend credit to customers for missed service if the company collects the customers' accumulated solid waste on the next scheduled service date on which the company deems it to be safe to operate. The company will not charge for extra waste set out in addition to customers' normal receptacle(s), if the amount of extra waste does not exceed the amount that reasonably would be expected to accumulate due to missed service.

6. **Improper packaging.** Stericycle will not accept shipments, including containers, which are not properly packaged or identified. This includes, but is not limited to:
- a. Containers with bag liners that are not tied or sealed;
 - b. Containers that are not properly closed;
 - c. Containers that are improperly labeled;
 - d. Containers that are damaged;
 - e. Containers that are overfilled;
 - f. Containers that are overweight;
 - g. Containers with non-conforming waste according to the applicable Stericycle Waste Acceptance Policy for the service; and
 - h. Containers with waste that has not been appropriately identified, profiled or characterized.

In the event Stericycle inadvertently accepts a container described in paragraph 7, Item 70 shall apply.

7. **Obstructed pickup areas.** Stericycle may refuse to accept shipments not immediately available for pickup at designated pickup areas, including where the pickup area is blocked or obstructed.
8. **Shipping documentation.** All shipping documentation must be properly completed by the generator, including certifications/signatures, at the time of pickup.
9. **Wear and tear.** Rates include normal wear and tear on reusable containers. Charges for replacement of reusable containers lost or damaged by the generator are shown in Item 14.
10. **Stericycle property.** Reusable containers provided to the generator shall remain the property of Stericycle.
11. **Modified sizes.** Stericycle reserves the right to modify its container sizes in the future provided the rate per gallon equivalent remains the same and unless and until rate changes per gallon are approved by the WUTC.

Item 90 – Rates for Incineration Services

Rates under this Item 90 are for wastes subject to treatment by incineration. Stericycle requires that certain Biomedical Wastes (including Pathological Waste) be incinerated. Stericycle accepts certain other wastes (including Trace Chemotherapy Waste and State-Only Dangerous Waste Pharmaceuticals) for incineration services.

For purposes of this Item 90:

“Pathological Waste” means human or animal tissues, organs, limbs, surgical specimens and other body parts, except complete human remains (including heads, full torsos and fetuses).

“Trace Chemotherapy Waste” means any waste contaminated through contact with, or having previously contained, chemotherapeutic agents.

“State-Only Dangerous Waste Pharmaceuticals” has the meaning ascribed to it in WAC 173-303-555.

The rates stated in this Item 90 are flat rates per container and do not vary with the number of containers tendered for pickup.

There is a minimum pickup fee of \$79.99, which will be charged if the total cost of all containers picked up falls below that amount. If the total cost of the containers exceeds \$79.99, the minimum pickup fee will not apply.

Rates for Pathological Waste:

\$40.00 per 28-gallon Container

\$30.00 per 15-gallon Box

\$40.00 per 33-gallon Box

Rates for Trace Chemotherapy Waste:

\$40.00 per 28-gallon Container

\$30.00 per 15-gallon Box

\$40.00 per 33-gallon Box

Rates for State-Only Dangerous Waste Pharmaceuticals:

\$70.00 per Pharmaceutical Waste Box.

Item 105 – Hazardous Drug Disposal Services

For purposes of this Item 105:

“Hazardous Waste Pharmaceuticals” refers to State-Only Dangerous Waste Pharmaceuticals in addition to any drug waste that is classified as “hazardous” by the U.S. Environmental Protection Agency.

“Hazardous Drug Disposal Services” (“HDDS”) refers to collection, transportation, treatment and disposal services for services for Hazardous Waste Pharmaceuticals that is performed by a Stericycle vendor.

Rates under this Item 105 are for wastes subject to treatment by incineration. Stericycle requires that Hazardous Waste Pharmaceuticals be subject to incineration services.

The rates stated in this Item 105 are flat rates per month and are billed regardless of number of stops realized.

Stops Per Year	Containers Per Year	Monthly Fee
1	up to 3	\$75.90
2	up to 5	\$151.80
3	up to 7	\$227.70
4	up to 9	\$302.50
6	up to 13	\$454.30
12	up to 25	\$908.60

Note 1: Additional HDDS container charge outside annual allotment: \$200.00/container.

Note 2: Additional HDDS stop charge outside annual allotment: \$700/stop.

Note 3: Additional containers can be added to the monthly fee for \$200 each. Example, if the annual allotment is 1 stop and 4 containers, you can calculate the monthly fee by taking $(\$200/12) + \$75.90 = \$92.57$ per month.

Note 4: HDDS is an On-Call Program serviced through Clean Earth. Customers must call 866-783-7422 to schedule a pickup.

Note 5: Customers will be required to complete a qualifying Waste Characterization form provided by Stericycle prior to scheduling a pickup.

Note 6: Customers may be required to obtain a Generator ID number prior to completing the waste characterization checklist and scheduling a pickup.

Item 110 – Controlled Substance Wastage (CsRx) Services

For purposes of this Item 110:

“Controlled Substance Wastage” refers to controlled substance waste from institutional practitioners generated after the controlled substance has been administered to a patient on behalf of a registrant at the registrant’s location.

“CsRx Services” refers to collection, transportation, treatment and/or disposal services for Controlled Substance Wastage, which is performed by a Stericycle vendor.

The rates stated in this Item 110 are flat rates per month based on container size as listed below.

Container Size	Shipping Frequency	Monthly Fee
1.4 qt.	Every 16 weeks	\$25.00
1 gal.	Every 16 weeks	\$30.00
3 gal.	Every 16 weeks	\$45.00

Note 1: Containers must be replaced every 12-16 weeks to aide in the mitigation of diversion risk and to ensure the solution is properly saturated with water.

Note 2: CsRx should be sold in conjunction with HDDS or another disposal solution depending on the characterization of the client’s formulary. The rates listed above are in addition to the rates listed in Item 105.

Note 3: This is not for disposal of controlled substances that are in a client’s inventory, brought in by patients, or for Schedule 1 drugs.

Note 4: CsRx includes the collection container, a mounting bracket, a deterring solution, a solidifier, online training and auto replenishment as noted above in “Shipping Frequency.”

Note 5: Monthly fee is based on qty of container shipped every 16 weeks. (1)1.4 Qt container is \$25.00/month and (2) 1.4 Qt containers is \$50.00/month.
