Re: Bainbridge Disposal, Inc., G-143, Disposal Rate Increase

Dear Secretary:

This filing is submitted by Bainbridge Disposal, Inc., G-143. Attached are revised pages for Tariff No. 17 to be effective January 1, 2024.

This filing proposes a disposal fee only increase. This increase is necessary to offset increased disposal site fees. The rate increase is a direct pass-through from the County to increase disposal rates. A disposal fee increase falls within the definition of a general rate increase pursuant to WAC 480-07-505.

A copy of this transmittal letter will be mailed to the Chair of the Kitsap County, WA Commissioners and City Manager of the City of Bainbridge Island, WA.

We are requesting an exemption from the work paper filing requirements of WAC 480-07-520(4). This is a disposal fee only case and as such we are allowed to petition for this exemption in order to minimize the cost and work associated with this filing.

My authority to file on behalf of Bainbridge Disposal, Inc. is on record. If there are any questions please contact me via phone at 360-425-8000, fax at 360-425-8005 or email jdavis@boothdavis.com.
