RE: Household Goods Moving in Washington State

Dear All Purpose Moving LLC:

The Washington Utilities and Transportation Commission (commission) has information that you are conducting household goods moves within the state of Washington. Advertisements for your household goods services have been found on www.facebook.com, and www.yelp.com, and on www.allpurposemovingllc.com. Conducting or advertising household goods moves requires a permit issued by the commission. You do not have a valid permit, as required by state law, to conduct this type of work.

Until you obtain a permit, you must immediately **cease operating** as a household goods mover in Washington State. Operating as a household goods mover without the required permit is illegal and subject to a penalty of \$5,000 per violation.¹ This means that you may receive this penalty for each day you operate in violation of the law.

You must also immediately **cease advertising** as a household goods mover in Washington State. Advertising for the transportation of property for compensation in Washington without a proper permit is against the law. The penalty for advertising without a permit is \$5,000 per violation. This means that you may receive a penalty for each and every advertisement. At this time, the commission has documented advertisements for household goods moving services from All Purpose Moving LLC.

If you advertise or operate as a household goods mover without a permit, the commission will take enforcement action against you. Such action may include the above-mentioned

financial penalties, and you will be served with a subpoena and be required to appear before a judge.

To avoid enforcement action, you must stop operating and advertising as a household goods mover immediately. In addition, by October 6th 2023, you must do one of the following:

- a) Confirm in writing that you have removed all advertisements to perform household goods moves, and you will no longer offer or perform moves without the required commission-issued permit.

OR

- a) Explain in writing why you believe your operations do not require authority from the commission. Please explain your operations in detail.

Direct your written response to Jack Graham, Compliance Investigator, P.O. Box 47250, Olympia, WA 98504, or email to Jack.Graham@UTC.wa.gov.

To apply for a permit to advertise for and provide household goods moves, submit a completed household goods moving permit application, proof of insurance, supporting materials, and application fee. To request a permit application, you can call (360) 664-1222 or download an ~~application from the commission's website at~~ <https://www.utc.wa.gov/MovingCompanies>.

If you have questions about the household goods laws, please contact Jack Graham at (360) 664-1143 or Jack.Graham@UTC.wa.gov.

Sincerely,
