RE: Fuel Surcharge Submittal, for Harold LeMay Enterprises, Inc. G-98 dba. Harbor Disposal and Eastern Grays Harbor Disposal

Dear Ms. Hunter:

Attached please find the Fuel Surcharge Supplement Number 1 for Harold LeMay Enterprises, Inc dba Harbor Disposal and Eastern Grays Harbor Disposal

We respectfully request Commission approval to amend filed Tariff Number 14 on Less Than Statutory Notice to increase the Special Surcharge Tariff Supplement to recover the rising cost of fuel. Proposed change is to implement a 0.64% fuel surcharge in Supplement 1.

If Fuel Surcharge Supplement Number 1 is approved on Less Than Statutory Notice by the Washington Utilities and Transportation Commission, the 0.63% fuel surcharge will become effective on February 1, 2024. The customers will receive notification of the 0.63% fuel surcharge on the billing reflecting the change.

The company is seeking a waiver to WAC 480-07-900(5)(b). The form that is being used to calculate the Fuel Surcharge is provided by UTC Staff and just became available today, January 17, 2024. This has been filed as soon as possible by the company to be approved on the January 25, 2024 Open Meeting.

If you have any questions regarding this filing, please contact me at (360) 448-6954 or via email at Brian.Vandenburg@WasteConnections.com.

Sincerely,

Brian Vandenburg
