Re: WAC 480-143-190: Annual Filing of Property Transferred Without Authorization for 2023

Dear Director Killip,

Pursuant to WAC 480-143-190, Cascade Natural Gas Corporation (Cascade) hereby submits its annual filing of property transferred without authorization to the Washington Utilities and Transportation Commission (Commission), conveying that no such property was transferred without Commission approval during the previous calendar year (2023).

On May 3, 2023, pursuant to WAC 480-143-120, Cascade filed with the Commission an application seeking approval of the sale of property located at 8123 W. Klamath Court in Kennewick, Washington. In Order 01 of Docket UG-230326 the Commission found that the property was "surplus, unneeded, not necessary or useful under the criteria set forth in WAC 480-143-180" and further found that Cascade "need not receive Commission authorization under WAC 480-143-120." Therefore, the transfer of the Kennewick property is excluded from consideration for this report and no other material property transfers made by Cascade occurred in 2023.

If you have any questions, please contact me at (208) 377-6015.

Sincerely,
