Re: Docket No. UT-\_\_\_\_ Cancellation of Registration as a Competitive Telecommunications Company

Dear Mr. Killip,

Starlink Services, LLC (“Starlink”) was granted a certificate as a competitive telecommunications company (“CLEC”) by the Washington Utilities and Transportation Commission on March 1, 2021 (Docket No. UT-210058). As referenced in its initial application, Starlink Services applied for this certificate together with designation as an Eligible Telecommunications Carrier (“ETC”) as a requirement of its winning bids in the Federal Communications Commission’s (“FCC”) Rural Digital Opportunity Fund (“RDOF”) auction, and the scope was limited to the specific census blocks in which Starlink Services was to receive RDOF support. Starlink was denied RDOF support, and recently filed a letter requesting to relinquish its ETC designation. Starlink hereby additionally requests cancellation of its registration as a CLEC in the state of Washington.

Respectfully Submitted,

/s/ Cassandra Heyne
