

# Wenatchee Valley SHUTTLE

Petition for Partial Discontinuance of Service under WAC 480-30-486(2)

April 16, 2024

BML Investments LLC, DBA Wenatchee Valley Shuttle

1511 S. Wenatchee, Ave. Wenatchee, WA.

98801

Certificate Number 64605

Dear Mr. Killup,

The company is requesting commission approval for a partial operations discontinuance. This route, we tried to bring back after covid, and do not have the ridership to sustain it. This route was utilized during the holidays last year, but now only have a couple of passengers weekly. The company cannot sustain these losses, and even worked on getting grant funding to help support this route after covid, to no avail. Sustaining this route would be catastrophic for the company to continue.

The number of riders for the past 6 months on this route were one hundred sixty four. Ridership is as follows below:

Between	Wenatchee	Pangborn	Quincy	Ephrata	Moses Lake	Ritzville	Spokane Airport	Spokane Intermodal center
Wenatchee	-	-	-	-	2	0	43	4
Pangborn Airport	-	-	-	-	-	-	-	-
Quincy	1	-	-	-	-	-	3	-
Ephrata	-	-	-	1	-	-	3	-
Moses Lake	2	-	-	-	-	-	21	2
Ritzville	-	-	-	-	-	-	3	1
Spokane Airport	39	-	5	6	11	-	-	-
Spokane Intermodal center	8	-	2	3	4	-	-	-

**Total  
Riders:**

**164**

All of these riders can ride the greyhound bus which covers the same route we service, except Ephrata. These passengers would need to drive fifteen minutes to Moses Lake, in order to ride the greyhound bus. Our riders will have minimal change to their current experience. We put in great time, effort and expense in advertising and operating this route for communities needs and growth, but was unsuccessful. Thank you for your help in discontinuing this route.

Sincerely,

Monique Lott/Owner
