Re: Review Committee Decision – Complaint Case 24-043 M&L Construction vs.
Avista Corporation

Dear Mr. Killip:

The Washington State Dig Law Safety Committee (committee) received a complaint filed by M&L Construction against Avista Corporation (Avista) regarding a potential violation of the Washington State Dig Law RCW 19.122.030.

On July 16, 2024, the committee formed a peer review board and reviewed Complaint Case 24-043.

The peer review board determined that the respondent, Avista, violated RCW 19.122.030(3)(a) one time for failing to provide the excavator with reasonably accurate information by marking the location of its facilities.

Therefore, the committee recommends a total penalty of \$5,000 be assessed to the respondent as follows:

- \$5,000 for one violation of RCW 19.122.030(3)(a) that occurred on May 14, 2024, at 205 W Florence, Spokane, WA

Please let me know if you have any questions regarding this recommendation. You may contact me at 206-794-9823.

Sincerely,

Jim Walton, Chair

Scot Hattenburg, M&L Const.
