### **Section 7 - DECLARATION OF APPLICANT**

INITIAL

I understand that filing this application **does not** in itself constitute authority to operate as a household goods mover.

As the applicant for a household goods permit, I understand the responsibilities of a motor carrier and I am in compliance with all local, state, and federal regulations governing businesses, including household goods movers, in the state of Washington.

I understand that if the commission grants my application as a new entrant, I will receive temporary authority to provide service as a household goods carrier on a provisional basis for at least six months. During this time, the commission will evaluate whether I have met the criteria in WAC 480-15-305 to obtain permanent authority. I also understand that I must comply with all conditions placed on my temporary permit and that failure to do so will result in cancellation of my permit.

My employees are sufficiently trained to comply with commission rules regarding estimates, bills of lading, rates and charges and terms and conditions of household goods moves. In addition, my employees are sufficiently trained to comply with commission rules regarding vehicle operation, maintenance, and all other safety requirements. My company will provide a copy of the customer survey to each customer for whom we provide transportation service.

I understand the commission will complete a criminal background check on each person named in the application.

I certify or declare under penalty of perjury under the laws of the state of Washington that the information contained in this application is true and correct.
