Dear Mr. Killip

Enclosed are proposed revisions to Tariff #5.1 for Ada-Lin Waste Systems, Inc. (G-104). The purpose of this filing is to increase rates due to the disposal increase in Spokane County.

If approved, these proposed rates will generate approximately \$2,300 annually or about 1.2% on tariff revenue.

We request LSN handling with respect to customer notification with rates going into effect 1-1-2025 and customers to be notified on their next regular billing in accordance with WAC 480-70-271(2)(a).

If I can be of any further assistance, please contact me at 509-822-4983 or 509-252-3500 (fax) or at [johnl@sunshinedisposal.com](mailto:johnl@sunshinedisposal.com).

Respectfully,
