Re: Monthly Operating Reports for the Quarter Ending September 30, 2024

Dear Mr. Killip:

In accordance with WAC 480-90-275 and WAC 480-100-275, we are electronically filing the electric and natural gas Operating Reports for the quarterly period ending September 30, 2024.

The report contains each of the three monthly balances and the latest twelve months' ending balance for all accounts. These results are based on unadjusted data and do not reflect normalized results or other standard rate-making adjustments.

Also included are the Company's customer counts and total unit sales per customer class for the three months ended September 30, 2024.

If you have any questions concerning these reports, please contact Marcus Garbarino at marcus.garbarino@avistacorp.com or 509-495-2567.
