Re: Notification of Internal Corporate Restructuring resulting in a Name Change of Bluespan Wireless LLC into Bluespan Fiber LLC

Dear Commission:

Bluespan Wireless LLC and Bluespan Fiber LLC (the "Parties") notify the Washington Utilities and Transportation Commission (the "Commission") of an internal corporate reorganization between Bluespan Wireless LLC and Bluespan Fiber LLC will occur on December 2, 2024, followed by a conversion to Bluespan Fiber LLC (the "Internal Restructuring") on December 2, 2024 resulting in a name change for our CLEC status. Given that Commission action is not required for this Internal Restructuring and name change, the Parties submit this advice letter for informational purposes. The Internal Restructuring is more fully described as follows:

- Bluespan Wireless LLC is registered as a competitively classified telecommunications company in Washington
- Bluespan Fiber LLC is registered with the Washington Secretary of State
- On December 2, 2024 Bluespan Fiber LLC, will take over all services and support of Bluespan Wireless LLC's operation.

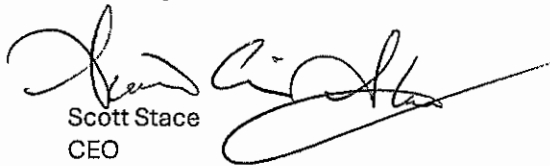

Bluespan Fiber LLC has been the entity in WASHINGTON. Bluespan Wireless, having been the Parent company supporting the launch and successful operations in Washington State is now separating its interest and will have Bluespan Fiber LLC stand alone in its operations from Bluespan Wireless LLC.

To be clear, this does not result in any change of ownership.

Further, the Internal Restructuring will be seamless to customers. Customers' services, prices, terms and conditions for those services will not be affected.

Please contact me by email or at 5202070549 Ext 101 with any questions or concerns you may have.

Sincerely,

Scott Stace
CEO
Bluespan
