RE: General Rate Increase G-190

Dear Executive Secretary:

Attached is Tariff No. 8 to be effective April 1, 2025, which cancels Tariff No. 7, for Consolidated Disposal Services, Inc.

The tariff includes rates for unincorporated areas in Grant and Adams County.

Consolidated Disposal Service, Inc.'s last general rate increase was effective May 1, 2023. Over the last two years, significant cost increases were incurred for new equipment, insurance and personnel. It is, therefore, necessary to increase rates to our customers to cover our ever-increasing cost of providing service.

The Lurito-Gallagher formula provides an available increase in revenues of approximately \$921,000. The enclosed price out analysis shows revenue generation projected for the rates requested to be approximately \$917,000. This represents an overall increase in regulated revenues, without pass through revenues, of 12%.

As required by Commission rules, a copy of this transmittal letter will be mailed to the County Councils and to the Mayors of all cities impacted by this filing. We will be mailing notices to all affected customers on or before March 1, 2025. We will also file a copy of the customer notices with your office.

My authority to file on behalf of Consolidated Disposal Service, Inc. is on file with the Commission.

We have provided prepared financial statements for 2023 for Consolidated Disposal Services, Inc. There is one affiliated entity as of and for the year-ended December 31, 2023, D&D Enterprises.
