

WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION

**NOTICE OF PENALTIES INCURRED AND DUE
FOR VIOLATIONS OF LAWS AND RULES**

PENALTY ASSESSMENT: TV-250085
PENALTY AMOUNT: \$400

Elite Skyway Movers, LLC
7050 S 116th Place, Apt B401
Seattle, WA 98178

The Washington Utilities and Transportation Commission (Commission) believes Elite Skyway Movers, LLC (Elite Skyway or Company) violated Washington Administrative Code (WAC) 480-15-555, Criminal Background Checks for Prospective Employees.

Revised Code of Washington (RCW) 81.04.405 allows penalties of \$100 for each violation. In the case of an ongoing violation, every day's continuance is considered a separate and distinct violation.

On February 12, 2025, Commission Motor Carrier Investigator Tracy Coble completed a routine safety investigation of Elite Skyway and documented the following violations:

- **Four violations of WAC 480-15-555(1) - Failure to complete a criminal background check for every person the carrier intends to hire.** The Company failed to acquire criminal background checks prior to hiring employees Joseph Karuri, Nelson Kiptoo, Stanley Muthunji, and Samson Tenai.

The Commission considered the following factors in determining the appropriate penalties for these violations:

1. **How serious or harmful the violations are to the public.** The violations noted are serious and potentially harmful to the public. Household goods moving companies that fail to conduct criminal background checks prior to hiring their employees put their customers and their customers' belongings at risk. These violations present safety concerns.
2. **Whether the violations are intentional.** Considerations include:
 - Whether the Company ignored Commission staff's (Staff) previous technical assistance; and
 - Whether there is clear evidence through documentation or other means that shows the Company knew of and failed to correct the violations.

On October 2, 2023, the Commission received the Company's application for household goods moving authority. In the application, Jane Sheila Wacera Karuri, owner of Elite Skyway, acknowledged the Company's responsibility to understand and comply with applicable motor carrier safety laws and regulations.

On October 19, 2023, Jane Sheila Wacera Karuri attended household goods training provided by Staff and acknowledged receiving training pertaining to motor carrier safety regulations.

The Company knew or should have known about these requirements.

3. **Whether the Company self-reported the violations.** Elite Skyway did not self-report these violations.
4. **Whether the Company was cooperative and responsive.** The Company was cooperative and responsive during the safety investigation.
5. **Whether the Company promptly corrected the violations and remedied the impacts.** Elite Skyway has not provided Staff with evidence of correction.
6. **The number of violations.** Staff identified nine violation types with a total of 12 individual occurrences during the routine safety investigation of Elite Skyway. Of those violations, Staff identified one violation type with four individual occurrences that warrant a penalty in accordance with the Commission's Enforcement Policy.
7. **The number of customers affected.** Elite Skyway last reported traveling 454 miles for household goods moves in 2023. These safety violations present a public safety risk.
8. **The likelihood of recurrence.** The Company was cooperative throughout the safety investigation and was provided technical assistance with specific remedies to help the Company assess how well its safety management controls support safe operations and how to begin improving its safety performance. In light of these factors, Staff believes the likelihood of recurrence is low.
9. **The Company's past performance regarding compliance, violations, and penalties.** The Company has no past history of violations with the Commission.
10. **The size of the Company.** The Company employed two drivers over the last 365 days and operates one commercial motor vehicle. The Company reported \$3,197.00 in gross revenue from household goods moving in 2024.

The Commission's Enforcement Policy provides that some Commission requirements are so fundamental to safe operations that the Commission will issue mandatory penalties for each occurrence of a first-time violation.¹ The Commission generally will assess penalties by violation category, rather than per occurrence, for first-time violations of those critical regulations that do not meet the requirements for mandatory penalties. The Commission will assess penalties for any equipment violation meeting the Federal Motor Carrier Safety Administration's "out-of-service" criteria and also for repeat violations of critical regulations, including each occurrence of a repeat violation.

¹ Docket A-120061 – Enforcement Policy of the Washington Utilities & Transportation Commission – Section V.

The Commission has considered these factors and determined that it should penalize Elite Skyway \$400 (Penalty Assessment), calculated as follows:

- Four violations of WAC 480-15-555(1) – Failure to complete a criminal background check for every person the carrier intends to hire. The Commission assesses a penalty of \$100 for each occurrence of these first-time critical violations, for a total of \$400.

This information, if proven at a hearing and not rebutted or explained, is sufficient to support the Penalty Assessment.

Your penalty is due and payable now. If you believe the violations did not occur, you may deny committing the violations and contest the penalty through evidence presented at a hearing or in writing. Alternatively, if there is a reason for the violations that you believe should excuse you from the penalty, you may ask for mitigation (reduction) of the penalty through evidence presented at a hearing or in writing. The Commission will grant a request for hearing only if material issues of law or fact require consideration of evidence and resolution in a hearing. Any request to contest the violations or for mitigation of the penalty must include a written statement of the reasons supporting that request. Failure to provide such a statement will result in denial of the request. *See* RCW 81.04.405.

If you properly present your request for a hearing and the Commission grants that request, the Commission will review the evidence supporting your dispute of the violations or application for mitigation in a Brief Adjudicative Proceeding before an administrative law judge. The administrative law judge will consider the evidence and will notify you of their decision.

You must act within 15 days after receiving this notice to do one of the following:

- Pay the amount due.
- Contest the occurrence of the violation.
- Admit the violation but request mitigation of the penalty amount.
