Re: Petition for Exemption – Summit View Water Works

Dear Mr. Killip:

Enclosed please find a Petition for Exemption seeking relief from billing rules in the Petitioner's current tariff. Petitioner requests that this matter receive expedited consideration for the March 27, 2025, regular open meeting due to the current ongoing review of the Settlement Agreement in UW-240589, and the concomitant need to address the billing requirement featured in the accompanying Petition which currently prescribes an April 1 deadline.

Please contact the undersigned if you have any further questions or concerns regarding this filing.

Yours truly,
