Bill Inserts with April 2025 Statements**

Dear Assistant Director Feeser:

Section (8) of WAC 480-90-103 and WAC 480-100-103, Information to consumers, states the following:

The utility must provide the commission with electronic or paper copies of all pamphlets, brochures, and bill inserts of regulated service information at the same time the utility delivers such material to its customers.

This cover letter and attachment are being sent to you in compliance with the above WAC rules. There may be some pamphlets or bill inserts that do not provide “regulated service information” but should be of interest to you and your staff. The monthly bill insert pdf can also be found at pse.com under the *Account & Billing* heading, select *Bill inserts and promotions*, and then *download a single PDF containing all information*.

Please contact Bob Schnackel at (425) 456-2435 if you have any questions about this process or have suggestions. If you have any other questions, please contact me at (425) 462-3946.

Sincerely,
