RE: Advice No. WA25-01A for United Telephone Company of the Northwest d/b/a CenturyLink

Dear Ms. Maxwell:

Attached for filing are the following revisions to the United Telephone Company of the Northwest d/b/a CenturyLink WN U-11 Access Service Tariff, issued May 14, 2025 with a proposed effective date of June 15, 2025:

<u>Section</u>	<u>Sheet</u>
6	1st Revised Sheet 6-126

Effective June 15, 2025, CenturyLink will no longer provide adjusted rates for Shared Use arrangements. Shared Use, also called Ratcheting, occurs when Private Line/Business Data Services (BDS) and Switched Access are provided over the same DS1, DS3, or SST transport facility. Effective June 15, 2025, all Shared Use arrangements will be rated as Private Line, irrespective of the type of service carried on individual channels.

I, Tony Prestarri, in compliance with WAC 480-80-123, certify that I have authority to issue tariff revisions on behalf of CenturyTel of Washington, Inc. d/b/a CenturyLink. If you have questions or need additional information regarding this filing, please feel free to email me.

Sincerely,

A handwritten signature in cursive script that reads "Tony Prestarri".
