RE: Actual Results for the Quarter Ended June 30, 2025

In compliance with WAC 480-100-275, PacifiCorp d/b/a Pacific Power & Light Company (PacifiCorp or Company) submits for filing the actual results for Washington operations for the quarter ended June 30, 2025. These results are based on unadjusted data and do not reflect normalized results or other standard ratemaking adjustments. The quarterly results of operations were determined using the Washington Inter-Jurisdictional Allocation Methodology. In Docket UE-220758, Order 01, the Company was granted a 30-day extension of time to file these reports changing the due date from 60 to 90 days following the end of each quarter through the quarter ending October 1, 2027.

In compliance with Order 15 in Docket UE-152253, included with this report is a quarterly report of the decoupling deferral amounts through June 30, 2025. Please also refer to the tab labeled, "CSSvRVN" for the Company's Average Customer Count and kilowatt-hour data for its Washington jurisdiction.

PacifiCorp respectfully requests that all data requests regarding this matter be addressed to: datarequest@pacificorp.com.
