**NOTICE OF OPPORTUNITY TO COMMENT
AND SPECIAL MEETING**

(Wednesday, January 24, 2001)

RE: Docket No. UE-992027 and UG-992028 PSE 2000-2001
Electric and Gas Least Cost Plan

The Washington Utilities and Transportation Commission (WUTC) will hold a special public meeting to review the electric and natural gas least cost plans of Puget Sound Energy (PSE). A "least cost plan" describes the mix of generation and supply resources and efficiency improvements which will meet both the current and future energy demands at the lowest cost to the utility and its ratepayers.

The public is invited to comment on PSE's least cost plan at a Special Meeting of the Commission to be held on Wednesday, January 24, 2001 at 1:30 p.m. The meeting will be held in the main hearing room (Room 206) at the Commission offices in Olympia, Washington.

PSE representatives will present the plans to the members of the Commission and will respond to questions from the Commissioners and the public. A copy of the plan is on file in the library of the WUTC office in Olympia. Requests for copies of the plan should be directed to the Company at (425) 462-3064. Questions regarding the plan and the Special Meeting may be addressed to Hank McIntosh (360) 664-1309.

The Commission will accept written comments on the least cost plans in addition to the oral comment made at the public meeting. Written comments should be submitted no later than noon on the date of the public meeting, in writing; and, if possible, in electronic format. Electronic format should be on 3 ½ inch IBM formatted high-density disk, in .pdf format or WordPerfect version 5.1 or later, labeled with the docket number of this proceeding and the commenter's name and type of software used or in an e-mail attachment. All comments should contain docket number UE-992027 as well as the commenter's name and address.

The Least Cost Plan itself is a product of Puget Sound Energy (PSE) filed under requirements of WAC 480 100 251. Information about the Commission and its processes can be found on the internet at "<http://www.wutc.wa.gov>." and further information may be obtained from the Commission Records center at (360) 664 1234 or at email address "records@wutc.wa.gov". When inquiring about the subject of this Notice, please refer to Docket UE 992027.

Sincerely,
