NOTICE OF RECESSED OPEN MEETING
(Set for Wednesday, May 26, 2021, at 1 p.m.)

Re: In the Matter of Utility Wildfire Preparedness, Docket U-210254

TO ALL INTERESTED PERSONS:

On May 26, 2021, the Washington Utilities and Transportation Commission (Commission) will hear from electric utilities about their preparedness for the upcoming wildfire season, including plans for fire mitigation strategies and communications plans with state, federal, and local emergency response agencies and customers.

Utilities should submit presentation materials and relevant plans in this docket five business days prior to the meeting.

Due to Avista's pending general rate case in Commission Dockets UE-200900 & UG-200901, the Commission must limit discussion of Avista's wildfire preparedness plans to general discussion of the company's plans and non-litigated issues.

A meeting agenda will be issued in Docket U-210254 prior to the meeting date.
