YOU MUST RESPOND WITHIN 15 DAYS OF THIS NOTICE – see page 4

The Washington Utilities and Transportation Commission (Commission) believes that Ryatt Construction LLC (Ryatt or Company) has violated the Revised Code of Washington (RCW) 19.122.055(1)(a) by failing to contact the One-Call locate center two business days before beginning excavation. RCW 19.122.055(1)(a) states, in part, that excavators who fail to notify a one-number locator service and cause damage to an underground gas facility are subject to a civil penalty of not more than \$10,000 for each violation.

The Commission reviewed findings and recommendations made by Commission staff (Staff) and hereby notifies you that it is assessing a \$1,000 penalty (Penalty Assessment) against you on the following grounds:

On January 10, 2022, Ryatt was excavating at 6052 31st Ave. NE, Seattle, Washington. While excavating, Ryatt struck and damaged an underground Puget Sound Energy (PSE) gas facility. The Damage Information Reporting Tool report submitted by PSE on February 24, 2022, indicated that the Company was excavating without a valid locate ticket.

Commission staff (Staff) conducted an investigation that included reviewing damage reports, investigation reports, a review of the One-Call Center database, and communications with the Company. The documents reviewed identified a natural gas event that involved Ryatt damaging a natural gas facility while excavating without a valid locate ticket.

Staff recommends the Commission assess a \$1,000 penalty for one violation of RCW 19.122.055(1)(a) with an offer to suspend an \$800 portion of the penalty for one year, and then waive it, subject to the conditions that: (1) Company supervisors and field crew responsible for excavation complete Dig Safe Training provided through the National Utility Contractors Association (NUCA) within 90 days of this Penalty Assessment; (2) the Company must not commit any further violations of RCW 19.122 within 12 months of the date of this Penalty Assessment; and (3) the Company timely pays the \$200 portion of the penalty.

The Commission agrees with Staff's penalty recommendation, and assesses a \$1,000 penalty with an offer to suspend an \$800 portion of the penalty subject to the conditions described above.

These facts, if not contested or if proved at a hearing and not rebutted or explained, are sufficient to support the Penalty Assessment.

Your penalty is due and payable now. If you believe the violation did not occur, you may deny committing the violation and contest the penalty through evidence presented at a hearing or in writing. Or, if there is a reason for the violation that you believe should excuse you from the penalty, you may ask for mitigation (reduction) of the penalty through evidence presented at a hearing or in writing. The Commission will grant a request for a hearing only if material issues of law or fact require consideration of evidence and resolution in a hearing. Any request to contest the violation or for mitigation of the penalty must include a written statement of the reasons supporting that request. Failure to provide such a statement will result in denial of the request. *See* RCW 81.04.405.

If you properly present your request for a hearing and the Commission grants that request, the Commission will review the evidence supporting your dispute of the violation or application for mitigation in a Brief Adjudicative Proceeding before an administrative law judge. The administrative law judge will consider the evidence and will notify you of their decision.

You must act within 15 days after receiving this Penalty Assessment to do one of the following:

- Pay the \$1,000 penalty amount due; or
- Pay \$200 of the penalty amount and notify the Commission that you accept the offer to suspend an \$800 portion of the penalty amount subject to the following conditions:
 - Ryatt management and the field crew responsible for excavation must complete NUCA Dig Safe Training (<https://utc-9183.quickbase.com/db/bpkt6vndh>) within 90 days of service of this Penalty Assessment; and
 - **The Company must submit documentation of that attendance to the Commission within 5 days of attending training;** and
 - Ryatt must not incur any additional violations of RCW 19.122 within 12 months of the date of this Penalty Assessment; or
- Request a hearing to contest the occurrence of the violations; or
- Request mitigation to reduce the amount of the penalty.

Please indicate your selection on the enclosed form and submit it electronically through the Commission's web portal records@utc.wa.gov **within FIFTEEN (15) days** after you receive this Penalty Assessment. If you are unable to use the web portal, you may submit it via email to records@utc.wa.gov. If you are unable to submit the form electronically, you may send a paper copy to the Washington Utilities and Transportation Commission, PO Box 47250, Olympia, Washington 98504-7250.

If you do not act within 15 days, the Commission may refer this matter to the Office of the Attorney General for collection. The Commission may then sue you to collect the penalty.

DATED at Lacey, Washington, and effective May 6, 2022.
