Subject: Waste Management – Brem-Air, a division of Waste Management of Washington, Inc.(G-237);
Tariff #20

Dear Ms. Maxwell:

Enclosed herein, please find revised page 2 to the above-referenced tariff. These proposed revised tariff pages contain new service offerings of a 64 gallon cart serviced every other week. The new service was requested by a customer in our tariff due to frustrations in larger cart sizes not being offered everyone other. Per WAC 480-70-261, customer requested new services require one day notice to the commission. I am requesting an effective date of May 26, 2023 for the new service to take effect.

If you have any questions or need additional information, please contact me at (503) 956-8594.

Very truly yours,

Evan Burmester
