NOTICE OF MODIFICATION OF PROCEDURAL SCHEDULE

RE: BNSF v. City of Sprague
Docket No. TR-010684

TO ALL PARTIES OF RECORD:

On May 8, 2002, the City of Sprague, joined by BNSF, requested an extension of the procedural schedule to accommodate the City's need to review discovery files and conduct further research into new concerns raised as the result of a community meeting held on May 2, 2002 in Sprague. The parties request that the evidentiary hearing be held on July 17 and 18, 2002 and that a public hearing be scheduled for the evening of July 17, 2002.

The Commission finds that it is consistent with the public interest to modify the procedural schedule as proposed. In keeping with the changed evidentiary hearing dates, the second prehearing conference, previously scheduled for May 28, 2002, will now take place telephonically on July 15, 2002.

Accordingly the procedural schedule is modified as follows:

Second prehearing conference (telephonic)	July 15, 2002 (9:30 a.m.)
Evidentiary hearing (Sprague, Washington)	July 17, 2002 (9:30 a.m. – 5:30 p.m.) July 18, 2002 (9:30 a.m. – 5:30 p.m.) (if needed)
Public hearing (Sprague, Washington)	July 17, 2002 (6:30 p.m. – 8:30 p.m.)

Sincerely,

THEODORA M. MACE
Administrative Law Judge
