Re: Docket No. UT-063038 – Qwest VNXX Complaint

Dear Ms. Washburn:

The Commission served Qwest's complaint in the above-referenced docket on May 24, 2006, and Commission rules require an answer from respondents named in the complaint by June 13, 2006. We represent several of the companies named as respondents, including Global Crossing Local Services, Inc., and request on their behalf an additional ten (10) days to file their answer to enable them to undertake a more thorough analysis of the allegations and prepare an appropriate response. I have contacted Ms. Anderl, and she has informed me that Qwest has no objection to this request, which would apply to all named respondents.

Please contact me if you have any questions about this request.

Very truly yours,

Davis Wright Tremaine LLP

Gregory J. Kopta
