RE: *WUTC v. Cristalina, LLC*  
Docket UW-090839  
Request for a Continuance

Dear Mr. Danner:

Staff of the Utilities and Transportation Commission (Staff) and Cristalina, LLC (Cristalina) (together the “parties”) jointly request that the Commission continue the procedural schedule for approximately two weeks to enable the parties to focus their resources on further settlement discussion.

By extending the schedule out two weeks, the parties seek to avoid (1) simultaneously negotiating a settlement and preparing litigation positions and (2) unduly delaying the litigation should negotiations be unfruitful. Accordingly, on behalf of the parties, Staff respectfully submits the attached amended procedural schedule for review and approval.

Sincerely,

JENNIFER CAMERON-RULKOWSKI  
Assistant Attorney General
