BACKGROUND

- 1 On March 4, 2010, Puget Sound Energy, Inc., (PSE or Company) filed with the Washington Utilities and Transportation Commission (Commission) revisions to its currently effective Tariff WN U-60, designated as Schedule 120, Electricity Conservation Service Rider. The purpose of this filing is to implement changes to rates under the conservation rider mechanism.
- 2 RCW 80.28.060 and WAC 480-80-121 require thirty days' notice to the Commission prior to the effective date of the tariff. The tariff sheets bear an effective date of April 4, 2010. This date recognizes the required 30-day statutory notice. The Company requests, however, less than statutory notice as permitted by WAC 480-80-122, and that the revisions become effective April 1, 2010. PSE requests less than statutory notice in order to allow the Company to adjust rates to customers in a timely manner.
- 3 WAC 480-100-194 requires notice to customers of the revision sought in this filing. PSE notified customers in the form of paid newspaper advertisements and posting to the PSE website.
- 4 The Company requests the rate increase to revise the Electricity Conservation Rider charges in order to reflect both the increased amounts budgeted for the upcoming year and the true-up of actual costs versus actual collections over the past year.
- 5 Since the proposed tariff revisions appear to be fair, just, reasonable and sufficient, and less than statutory notice is consistent with the public interest, it is appropriate that the Commission grant PSE's request with an effective date of April 1, 2010.

FINDINGS AND CONCLUSIONS

- 6 (1) The Washington Utilities and Transportation Commission is an agency of the State of Washington vested by statute with the authority to regulate the rates, regulations, practices, accounts, securities, transfers of property and affiliated interests of public service companies, including electric companies. *RCW 80.01.040, RCW 80.04, RCW 80.08, RCW 80.12, RCW 80.16 and RCW 80.28.*
- 7 (2) PSE is an electric company and a public service company subject to Commission jurisdiction.
- 8 (3) PSE is subject to RCW 80.28.060 and WAC 480-80-121, which require electric companies to file changes in any rate, charge or service with thirty days' notice. For good cause shown, however, the Commission may allow changes without requiring thirty days' notice by order specifying the changes to be made and the time when the Order shall take effect. *RCW 80.28.060 and WAC 480-80-122.*
- 9 (4) Staff has reviewed PSE's request in Docket UE-100382 and recommends the Commission grant the Company's request for less than statutory notice.
- 10 (5) This matter came before the Commission at its regularly scheduled meeting on March 25, 2010.
- 11 (6) After reviewing PSE's proposed tariff revisions filed on March 4, 2010, and giving due consideration to all relevant matters and for good cause shown, the Commission finds the proposed tariff revisions should become effective April 1, 2010.
