IMPORTANT! Tax Registration Information. Please keep on file.

Congratulations! You are now registered to operate a business in Washington. Your Unified Business Identifier (UBI) number shown above is also your Department of Revenue (DOR) tax registration number. Please refer to this number any time you contact us for assistance.

When to file and pay your taxes

Your business is assigned to report taxes **annually**. Your tax return is due January 31 following the taxable period (e.g. January 1 through December 31 of the previous year). If you do not have business activity to report you are still required to file a tax return.

Based on your business open date, the first return you must file is the Annual 2012 return and is due on January 31, 2013. We will mail your return to you.
