- 1     **NATURE OF PROCEEDING.** This proceeding arises out of petitions from BNSF Railway Company (BNSF) filed with the Washington Utilities and Transportation Commission (Commission) on March 10, 2014, seeking closure of the N. Stevens highway-rail grade crossing near the City of Toppenish, Yakima County (Docket TR-140382), and closure of the Barnhart highway-rail grade crossing near the City of Mabton, Yakima County (Docket TR-140383). Yakima County objected to the proposed closures, as did the Confederated Tribes and Bands of the Yakama Nation (Yakama Nation) and the Washington Farm Bureau.
  
- 2     **CONFERENCE.** The Commission convened a prehearing conference in this docket at Olympia, Washington, on Friday, May 23, 2014, before Administrative Law Judge Adam E. Torem.
  
- 3     **APPEARANCES.** Tom Montgomery, Seattle, represents petitioner BNSF. Kenneth Harper, Yakima, represents respondent Yakima County. Ethan Jones, Toppenish, represents the Yakama Nation. Sally Brown, Senior Assistant Attorney General, Olympia, WA, represents the Commission’s regulatory staff (Commission Staff or Staff).<sup>1</sup> Contact information for the parties’ representatives is attached as Appendix A to this order.

<sup>1</sup> In formal proceedings, such as this, the Commission’s regulatory staff participates like any other party, while the Commissioners make the decision. To assure fairness, the Commissioners, the

- 4 **INTERVENTION.** On May 23, 2014, the Yakama Nation made an oral motion to intervene in the proceeding.<sup>2</sup> The Yakama Nation asserted a substantial interest in public safety matters affecting the Yakama Reservation, particularly its continued ability to provide emergency medical and fire prevention services to residents in the vicinity of the crossings proposed for closure. The Yakama Nation also raised concerns about future access issues in areas that could be affected by closure of the crossings, including existing travel routes to sites of cultural and community significance and the economic well-being of leasehold farmers.
- 5 No party questioned the Yakama Nation's substantial interest in this matter or objected to its motion to intervene. The Commission finds that the Yakama Nation's motion demonstrates a substantial interest in this proceeding and that the Yakama Nation's participation will be in the public interest. The Yakama Nation's motion to intervene is granted.
- 6 **DISCOVERY.** The parties requested that the Commission make discovery available under Washington Administrative Code (WAC) 480-07-400 – 425. Pursuant to WAC 480-07-400(2)(b)(iv), the Commission finds that the needs of the case may require discovery and makes the discovery rules available to all parties. However, *the parties shall not schedule depositions without advance approval of the presiding officer.* The Commission urges the parties to work cooperatively together to avoid having to bring discovery disputes forward for formal resolution.
- 7 **SEPA REVIEW.** BNSF confirmed at the prehearing conference that it previously concluded the necessary State Environmental Policy Act (SEPA) review for the proposed crossing. Yakima County Public Services issued a Notice of Decision and Final Determination of Non-Significance (DNS) in December 2012 for both proposed crossings.

presiding administrative law judge, and the Commissioners' policy and accounting advisors do not discuss the merits of this proceeding with the regulatory staff, or any other party, without giving notice and opportunity for all parties to participate. *See* RCW 34.05.455.

<sup>2</sup> On May 20, 2014, the Yakama Nation filed a Motion for Leave to File Amicus Brief in these dockets. The presiding officer deferred a ruling on this motion until later in the proceedings.

Alternatively, parties may furnish an electronic copy by delivering with each filing a 3.5-inch IBM-formatted high-density diskette, a flash drive, or CD including the filed document(s). Parties must furnish electronic copies in MS Word 6.0 (or later) supplemented by a separate file in .pdf (Adobe Acrobat) format. Parties must follow WAC 480-07-140(5) in organizing and identifying electronic files.
- 15 **ELECTRONIC SUBMISSION OF DOCUMENTS.** Parties may submit documents electronically to the Commission on the filing deadline to expedite the

filing process, but must file an original, plus 3 paper copies, of the documents with the Commission by 12:00 noon on the first business day following the filing deadline established in the procedural schedule. WAC 480-07-145(6). Finally, to perfect filing, parties must simultaneously provide e-mail courtesy copies of filings to the presiding administrative law judge at [atorem@utc.wa.gov](mailto:atorem@utc.wa.gov) as well as to the parties to the proceeding.

- 16 **ALTERNATE DISPUTE RESOLUTION.** The Commission supports the informal settlement of matters before it. Parties are encouraged to consider means of resolving disputes informally. The Commission does have limited ability to provide dispute resolution services; if you wish to explore those services, please call the Director, Administrative Law Division, at 360-664-1355.
- 17 **NOTICE TO PARTIES: A party who objects to any portion of this Order must file a written objection within ten (10) calendar days after the service date of this Order, pursuant to WAC 480-07-430 and WAC 480-07-810.
