RE: Docket TG-143879– Replacement Pages – Please do not redocket

Dear Secretary King:

Enclosed are replacement pages to Solid Waste Tariff No. 8 for Sanitary Service Co., Inc for Docket TG-143879.

These replacement pages increase rates previously submitted for Disposal Fee Increases based on staff's analysis.

As a result of this change, residential and commercial customer revenue resulting from the tip fee increase at the disposal site would increase by approximately \$272,000 an increase of approximately \$24,500 from our original filing, and the proposed rates would go up between 1.22% and 3.10%.

The impact to pass through disposal fee customers for the Item 230 pass through increase remains unchanged from our original filing.

Please feel free to call me at (360) 527-9783 if you have any questions about this filing.

Sincerely,

Amber Jones  
Chief Financial Officer
