**RE: Docket UE-160082 - Tariff WN U-28 (Substitute Tariff Schedule 77)**

Dear Mr. King,

On January 14, 2016, Avista Corporation, doing business as Avista Utilities (“Avista” or “Company”), filed proposed tariff WN-U28, Schedule 77, Electric Vehicle Supply Equipment (EVSE) Pilot Program. The purpose of this tariff filing was to establish a new tariff for the Company’s proposed EVSE Pilot Program. The Company proposed an effective date of the tariff of March 14, 2016.

After discussion at the Commission’s Open Meeting on March 10, 2016, the Company agreed to revise the effective date of the proposed tariff schedule so parties could have time for further review and discussion. Avista requests the substitute tariff revisions enclosed become effective April 11, 2016.

If you have any questions regarding this filing please contact Shawn Bonfield at 509-495-2782 or myself.

Sincerely,

*Shawn Bonfield*
