**Summary:**

On August 9<sup>th</sup> 2016 PSE's Damage Prevention Field Rep, Roger Arrington, came across a TT & E LLC crew excavating in Sammamish WA at 24351 NE 27<sup>th</sup> Place, Lot #6. Roger checked for a valid ticket on the ITIC site [www.managetickets.com](http://www.managetickets.com) and found that a TT& E employee, Kevin, was digging without calling for locates, which is a violation of RCW 19.122.30 (2) and (5). The TT & E employee, Kevin, stated that he had been told that locates were called.

On 08/15/16 [www.managetickets.com](http://www.managetickets.com) does show that a ticket, 16259796, was called in for the same jobsite with a work to begin date nine days later on 08/18/2016. The search was conducted for a ticket from 06/01/2016. This is the only ticket for TT & E LLC, for this address within that time period.
