Re: UT-180771 - Telecommunications Companies  
Status of Compliance of Ionex Communications North, Inc., renamed Lingo  
Communications North, LLC

Dear Mr. Johnson:

On December 21, 2018, Commission Staff (Staff) filed a letter in Docket UT-180771 reporting on the compliance of companies named in the docket. One company, Ionex Communications North, Inc., renamed Lingo Communications North, LLC (Lingo), was listed as non-compliant, in error. This company should have been listed as compliant as the Commission had received both Lingo's annual report and regulatory fee payment on December 21, 2018, prior to the time that Staff filed its compliance letter.

On January 7, 2019, the Commission entered Order 01 revoking the registrations of the non-compliant competitively classified telecommunication companies. Order 01 revoked the registration of Lingo. Because Lingo came into compliance before Staff filed its compliance letter, Staff requests that the Commission correct Order 01 to remove Lingo from the list of companies in the ordering clauses in Order 01.

Sincerely,
