**RE: Viasat Carrier Services, Inc.; Docket No. UT-180839  
Amended Petition for Designation as an Eligible Telecommunications Carrier**

Dear Mr. Johnson:

At the request of Staff, transmitted herewith for filing is Viasat Carrier Services, Inc.'s Amended Petition for Designation as an Eligible Telecommunications Carrier. Portions of the Amended petition contain information that contain information that is Confidential pursuant to WAC 480-07-160.

Confidential information is defined in WAC 480-07-160(2) as, among others things:

(c) Valuable commercial information, including trade secrets or confidential marketing, cost, or financial information, or customer-specific usage and network configuration and design information, as provided in RCW 80.04.095.

The information for which Viasat seeks confidential treatment is network configuration and design information. Thus, the data being submitted falls squarely within the statutory definition of confidential information. In addition, information about Viasat's network, including location, technology, and system design is commercially sensitive. Public access to this information could have an adverse effect on the safety and security of Viasat's network.

Any questions regarding this filing should be directed to the undersigned.

Respectfully submitted,

Michael P. Donahue
