Hello,

My name is Debebe Dererie. I am working on rulemaking for the implementation of the 2019 Clean Energy Transformation Act at the Department of Ecology.

I and another colleague want to attend the meeting in person.

Responses to your questions:

Question 1. We will attend the meeting in person.

Question 2. We are not providing oral comments.

Question 3. We have not nominated spokesperson for this project yet.

Thank you!

Debebe Dererie,
