RE: *In the Matter of the Investigation of, and Penalty Assessment Against, AC Checker LLC, d/b/a VIP Arrivals,*
Dockets TE-190590 & TE-190589 (*Consolidated*)

TO ALL PARTIES:

On August 29, 2019, the Commission entered Order 02, Approving Safety Management Plan, Upgrading Safety Rating, Granting Mitigation in Part, and Suspending Penalty in Part (Order 02) in consolidated Dockets TE-190590 & TE-190589. Order 02 assessed a \$1,500 penalty against AC Checker LLC, d/b/a VIP Arrivals (AC Checker or Company), a \$1,000 portion of which was suspended subject to the conditions that the Company (a) must not incur any repeat violations of critical regulations upon reinspection, (b) maintain a conditional safety rating, and (c) must pay the \$500 portion of the penalty that was not suspended within 10 days of the effective date of Order 02.

On September 23, 2019, the Company paid the \$500 portion of the penalty that was not suspended.

On September 7, 2021, Staff filed a letter in docket TE-190589 informing the Commission that AC Checker had not incurred any repeat violations of critical regulations and had maintained a conditional safety rating. In its letter, Staff states that it believes the Company has complied with all the conditions of Order 02.

The Commission finds that AC Checker has complied with the conditions of Order 02. The \$1,000 portion of the penalty that was suspended is now waived, and this docket is closed.
