

**ROCKET AND BKA KITSAP COUNTY SERVICE AREAS CURRENT AND PROPOSED**

Currently Rocket starts and ends all trips in Clallam and Jefferson counties. The purple Rocket locations must start or end the trip in Clallam or Jefferson. Rocket proposes that we be able to also start or end trips at the red locations in order to serve the North Kitsap area not currently served by BKA. If BKA adds service locations at the black marked areas, the area is served and Rocket is not needed to fill the gap.
