Subject: Docket # UT-140597

King County Executive Dow Constantine conveyed the county's deep concern for the service interruption by correspondence to the CenturyLink and Intrado. His letters are in the WUTC record. King County also understands the importance of a competitive market comprised of viable service providers for effective 911 response. We have not requested King County staff or others to represent interests on behalf of King County at WUTC hearings.

Caroline Whalen
County Administrative Officer
