Dear Mr. King:

I am writing this letter to notify the Commission that the Parties in the above-referenced docket have reached a partial settlement as defined under WAC 480-07-730(2). The Parties are in the process of authoring a settlement agreement and narrative for submission to the Commission as soon as possible.

In the coming days, the Parties also intend to request an amended procedural schedule in this docket. The Parties will request the Commission cancel the evidentiary hearing scheduled for September 17, 2014, and shift to a paper-only record for the remaining disputed issues. The Parties intend to jointly-propose a briefing schedule to include dates for initial and reply briefs.

Sincerely,
