1 Administrative Law Judge Ann E. Rendahl entered an Initial Order, Order 07 in Docket UW-060343 on May 1, 2008. On May12, 2008, Judge Rendahl entered an Amended Initial Order, Order 08, reflecting corrected customer count and surcharge calculations provided by the parties.

2 In a Joint Motion that counsel for Iliad Water Service, Inc., and the Staff of the Washington Utilities and Transportation Commission (Commission) filed on May 8, 2008, the parties request the Commission allow the Amended Initial Order to become final by operation of law as soon as possible. The Commission will not seek review of the order on its own motion.

3 Therefore, under RCW 80.01.060(3), the Order 08 will become final on the service date of this notice, by operation of law.

4 In allowing Order 08 to become final, the Commission does not endorse the order’s reasoning and conclusions. If cited in the future, the order must be identified as an order entered by an Administrative Law Judge.

Sincerely,

CAROLE J. WASHBURN
Executive Secretary
