Re: Docket UT-190574 – In the Matter of the Joint Application of Northwest Fiber, LLC, Frontier Communications Corporation, and Frontier Communications ILEC Holdings LLC, For an Order Declining to Assert Jurisdiction Over, or in the alternative, Approving Transfer of Control of Frontier Communications Northwest, Inc, to Northwest Fiber, LLC

Dear Director Johnson:

In Docket UT-190574, we sought your consent to a transaction involving the transfer of control of Frontier Communications Northwest, an incumbent local exchange carrier (“ILEC”) serving Washington, from Frontier Communications Corporation (“Frontier”) to the newly formed entity Northwest Fiber LLC (“Northwest Fiber”). Following your consideration and approval of the transaction, we are happy to inform you that, on May 1, 2020, Northwest Fiber and Frontier closed that transaction. Accordingly, Northwest Fiber is now the controlling parent of the ILEC, subject to the terms and conditions of your prior approval.

Speaking for all of us at Northwest Fiber we are excited by the opportunity to provide service to your citizens and look forward to our cooperative partnership going forward. To facilitate that, we wanted to inform you of some changes to our contact information. Your primary point of contact will continue to be Jessica Epley, but her new email, phone, and address are:

Jessica Epley
Regulatory & External Affairs Director

Sincerely,

Jessica Epley
Government & External Affairs Director
