 - Deemed - Irrigation Motors
- Green Motor Rewinds

The Power of Your Co-op Membership

- Custom Projects: (Require pre-approval from CREA)

Irrigation System Upgrades and VFD Rebate Form

Renewable Energy Efficiency Program

- Solar
- Wind

Qualifications

The rebate program is available for any CREA member that qualifies under each of the following guidelines:

- Structure where measure is installed and saving electric energy is served by CREA.
- CREA confirms the conservation measure is an eligible electric energy efficiency measure.
- Energy efficiency measure doesn't result in a conversion of fuel type.
