Re: *WUTC v. AdvancedTelecom Group, Inc., et al.*
Docket No. UT-033011

Dear Judge Rendahl:

Staff filed a Motion for Extension of Time to File Testimony today. At this time Qwest, MCI, Covad, McLeodUSA, and Eschelon have indicated that they will not object to the extension of the deadline as long as they are provided a one week extension in of time to file their response testimony.

Very truly yours,

CHRISTOPHER SWANSON
Assistant Attorney General
