Subject: PSE Requested Rate increase

[EXTERNAL]

Greetings, I am emailing you about the notice that we received from PSE about our last billing about their proposed rate increase request to the UTC.

I see in their stated reasons for the rate request included the following:

"To increase PSE's authorized return on equity from 9.4% to 9.9%."

Could you please explain to me what exactly this means and how it relates to needing to raise their rates?

Thank you for your assistance.

Greg Griffith
