Re: Special Fuel Surcharge Supplement No. 4  
Waste Control, Inc.  
Docket TG-140560

Staff has reviewed the Special Fuels Surcharge Supplement No. 3 to Waste Control Inc.'s Tariff No. 15 filed by that company on August 20, 2014 and revised August 28, 2014.

Staff recommends the commission:

Authorize the company to file a fuel surcharge request, and  
Approve the fuel surcharge Supplement No. 4 as revised on August 28, 2014, to become effective on Less Than Statutory Notice on September 1, 2014.

Sincerely,

Mike Young
